— DATA SHEET

LEAF is a wall-mounted washbasin made with a 19 mm thick bilaminated Poplar blockboard or Canaletto Walnut/Oak blockboard structure, with drawer fronts in blockboard of the available essences or in matt white lacquered Tanganyika Walnut blockboard.

The structure has a predisposition for wall mounting with a system of metal brackets, supplied in the accessory kit, which allow the necessary leveling adjustments, while the two drawers are equipped with metal guides with a soft control full extension system.

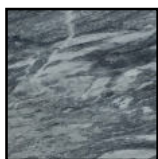

The top and the integrated tray, of the same material, are made with the aid of CNC machines that guarantee maximum cutting precision and are chemically treated with water-based water-oil repellents (ecofriendly). The chromed 'click click' type drain with cover in the same material as the washbasin is included.

Since these are handcrafted products, the images of the materials used are indicative, photos of the materials actually selected will be provided at the time of the order.

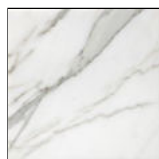

— **FINISHES**

• **MARBLES:**

Bardiglio

Calacatta

Statuario

Lavica

• **WOODS:**

Noce Canaletto

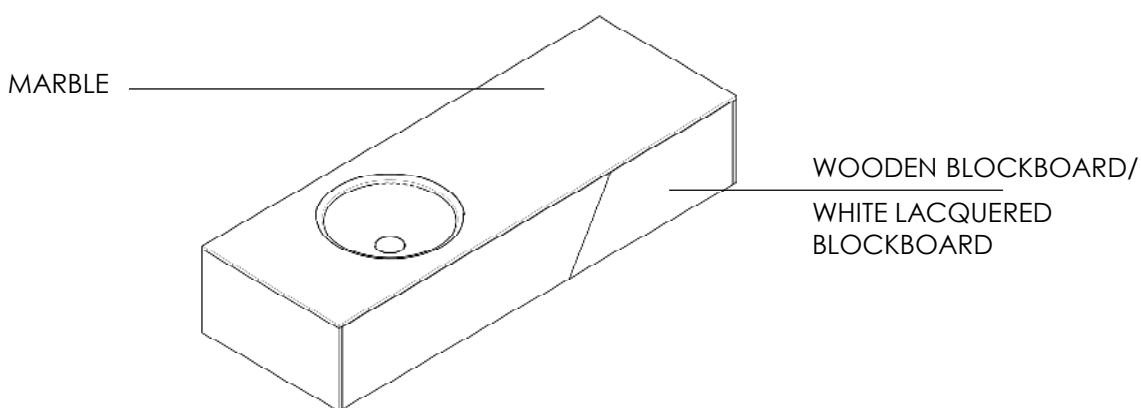

Rovere
