

— **MOMENTUM**
OBLIQUE collection_2023

1-
3

MOMENTUM is a living room furniture characterized by a 50 mm thick polylinear profile made of white lacquered Tanganyika Walnut blockboard with two-component, scratch-resistant textured polyurethane polymers, and by a central support element in Canaletto Walnut with a continuous vein containing three pull-out drawers with runners with full extension of the soft control type.

The polylinear profile, with a tapered section, is divided into three elements that create a strong angle of inclination characterizing the product with an eccentric design, typical of the Oblique collection, and at the same time restoring a balanced geometric composition with a reduced perception of thickness.

Since these are handcrafted products, the images of the materials used are indicative, photos of the materials actually selected will be provided at the time of the order..
